

# WELCOME TO THE SPEAKEZ BRUNCH!

Our Brunch service grew out of our loyal Football (soccer, if you must) patrons who began coming in early on weekend mornings to watch matches, and as more and more of them continued to come out we thought, “we had better feed these people!” Brunch has now grown to one of our favorite parts of the week and we’re very proud of the amazing food Chef Scotty and his crew have come up with! All our Brunch items are made-to-order, a true artisan affair, so sometimes preparation can take a little extra time. But, hey, it’s the weekend! So sit back and relax, enjoy one of these tasty beverage features and watch a footie match, we’ll have your food out soon and promise that you will leave happier than when you came!

## BRUNCH DRINK FEATURES

**MIMOSA** \$4  
Cava and OJ. Simple and classic, if it ain’t broke...

**SUN SALUTATION** \$6  
Our favorite “beer-mosa” - Dogfish Head Namaste Belgian Wit topped with OJ.

**BLOODY MARY** \$5  
Our signature house Bloody Mary uses a unique smoked dry spice blend and a healthy dose of Sriracha for a rich, earthy flavor and sharp spiciness. The standard recipe will be a medium, 3-alarm spice level but can be adjusted to your taste. Garnished with Olive, Pepperoncini and a Pickle Spear. Add a 5oz sidecar of beer (we prefer a crisp, light lager or ale to balance the spice) for \$1

**SUFFERING BASTARD** \$6  
A SpeakEZ classic and the answer to the question “What do I drink in the morning if I don’t like Bloody Marys?” Citadelle Gin, OJ, Fresh Lime, Vanilla, Mint, Cucumber, Angostura, Egg White and Soda. This delicious, smooth and frothy concoction is chemically balanced to aid recovery and get you back to full strength!

**“PART OF THIS COMPLETE BREAKFAST” - THE SEZ BRUNCH SHOT** \$7  
Want your breakfast and your booze all at once with as little labor as possible? Try one of these amazing little tricks! A shot of Jameson and Butterscotch with a sidecar of OJ and a slice of bacon. The only way it could be cooler is if it came with a side of Saturday morning cartoons.

SpeakEZ proudly serves premium locally roasted coffee from Rowster Coffee.

**BOTTOMLESS CUP \$3**
