Welcome to the SpeakEZ Brunch!

Our Brunch service grew out of our loyal Football (soccer, if you must) patrons who began coming in early on weekend mornings to watch matches, and as more and more of them continued to come out we thought, "we had better feed these people!" Brunch has now grown to one of our favorite parts of the week and we're very proud of the amazing food Chef Scotty and his crew have come up with! All our Brunch items are made-to-order, a true artisan affair, so sometimes preparation can take a little extra time. But, hey, it's the weekend! So sit back and relax, enjoy one of these tasty beverage features and watch a footie match, we'll have your food out soon and promise that you will leave happier than when you came!
